LIF & ICEL at EuroLED 10

Presentation by Members of Industry Committee for Emergency Lighting (ICEL)

Bernard Pratley, Director ICEL

LIF & ICEL at EuroLED 10

❖ What is ICEL

- ❖ **ICEL** is the emergency lighting operating division of LIF
- ❖ Its Members represent approximately 80% of the UK market of emergency lighting products
- ❖ All Members are ISO 9001 accredited
- ❖ All members sign to confirm that their products meet the relevant standards

LIF & ICEL at EuroLED 10

- ❖ **ICEL** works to develop the market for its Members by:
 - ❖ Developing the product and application standards
 - ❖ Working with relevant Government Departments
 - ❖ Working in Europe through CELMA – harmonise EU requirements
 - ❖ Sending the message to its customer base

- ❖ LEDs for emergency lighting is now at 10% of the market

- ❖ Find us at: www.icel.co.uk
